

# A-Z ACADEMIC DOCDEL COLLECTION

A service to supplement interlibrary loan (ILL) & institution subscriptions

## Your Faculty & Grad Students Need Documents. **Reprints Desk Delivers.**

Reprints Desk's A-Z Academic DocDel Collection is a service tailored to help academic institutions like yours supplement subscriptions and ILL service in order to meet the urgent article acquisition needs of faculty and graduate students.

The collection includes material from dozens of leading publishers, more than 14,000 journal titles, and single chapters from more than 10,000 books. Any document that is ordered from the collection will be delivered as a high quality PDF in three hours or less for a low service fee plus a special academic copyright royalty charge of \$15 to \$25 USD\*.

## Participating publishers & imprints include:

- » Bentham Science Publishers
- » Dusterl Verlag
- » Emerald Group Publishing
- » Expert Reviews
- » Future Medicine
- » Future Science
- » Institute of Electrical and Electronics Engineers (IEEE)
- » The Institution of Engineering and Technology (IET)
- » IOS Press
- » John Wiley & Sons
- » Landes Bioscience
- » Lippincott Williams & Wilkins
- » Nature Publishing Group
- » S. Karger AG
- » Slack Incorporated
- » Springer Verlag
- » Plus a number of Asian journals

## Get Started Today

We've worked with hundreds of organizations, big and small, to deploy our Article Delivery service and are here to help you, too – regardless of complexity, scale or budget.
